terms & conditions

[1] Definition: "Image(s)" means all visual representations furnished to Client by Photographer, whether captured, delivered, or stored in photographic, magnetic, optical, electronic, or any other media. Unless otherwise specified on the front of this document, Photographer may deliver, and Client agrees to accept, Images encoded in an industry-standard data format that Photographer may select, at a resolution that Photographer determines will be suitable to the subject matter of each Image and the reproduction technology and uses for which the Image is licensed. Unless otherwise specifically provided elsewhere in this document, Photographer has no obligation to retain or archive any of the Images after they have been delivered to Client.

[2] Rights: All Images and rights relating to them, including copyright and ownership rights in the media in which the Images are stored, remain the sole and exclusive property of Photographer. The parties agree that any usage of any Image without the prior permission of Photographer will be invoiced at three times Photographer's customary fee for such usage. Digital files may contain copyright and other information embedded in the header of the image file or elsewhere; removing and/or altering such information is strictly prohibited and constitutes violation of the Copyright Act.

[3] Photo Credit: All published usages of Images will be accompanied by written credit to Photographer or copyright notice as specified. If no placement of a credit or copyright notice is specified, Images will be accompanied by written credit to Laughing Tulips. If a credit is required but not actually provided, Client agrees that the amount of the invoiced fee will be subject to a three-times multiple as reasonable compensation to Photographer for the lost value of the credit line.

[4] Indemnification: Client will indemnify and defend Photographer against all claims, liability, damages, costs, and expenses, including reasonable legal fees and expenses, arising out of the creation or any use of any Images or arising out of use of or relating to any materials furnished by Client. Unless delivered to Client by Photographer, no model or property release exists, and it is Client's responsibility to obtain the necessary permissions for usages that require any model or property releases not delivered by Photographer. It is Client's sole responsibility to determine whether any model or property releases delivered by Photographer are suitable for Client's purposes. Photographer's liability for all claims shall not exceed in any event the total amount paid under this invoice.

[5] Assumption of Risk: Client assumes full risk of loss or damage to or arising from materials furnished by Client and warrants that said materials are adequately insured against such loss, damage, or liability.

[6] Disputes: Except as provided in [7] below, any dispute regarding this agreement shall, at Photographer's sole discretion, either:

(a) be arbitrated in Photographer's City, Photographer's State, under rules of the American Arbitration Association and the laws of Photographer's State; provided, however, that irrespective of any specific provision in the rules of the American Arbitration Association, the parties are not required to use the services of arbitrators participating in the American Arbitration Association or to pay the arbitrators in accordance with the fee schedules specified in those rules. Judgment on the arbitration award may be entered in any court having jurisdiction. Any dispute involving \$5,000 or less may be submitted without arbitration to any court having jurisdiction thereof.

OR

(b) be adjudicated in Photographer's City, Photographer's State under the laws of the United States and/or of Photographer's State.

(c) In the event of a dispute, Client shall pay all court costs, Photographer's reasonable legal fees, and expenses, and legal interest on any award or judgment in favor of Photographer.

[7] Federal Jurisdiction: Client hereby expressly consents to the jurisdiction of the Federal courts with respect to claims by Photographer under the Copyright Act of 1976, as amended, including subsidiary and related claims.

[8] Cancellations: Client is not entitled to refund of deposit or any fees previously paid unless written notice is given at least thirty-one (31) calendar days prior to scheduled event. However, if notice of cancellation is given within thirty (30) calendar days of the scheduled event date, Client will be charged 100 percent fee. Fees for cancellations and postponements will apply irrespective of the reasons for them, specifically including but not limited to weather conditions, acts of God, nature, war, terrorism, civil disturbance, and the fault of a third party.

[9] Payment: A non-refundable deposit in the amount specified above is required to reserve a date. Client is responsible for submitting payment of the remaining balance no later than 30 days prior to scheduled event. Unless otherwise specifically stated by Photographer, late payments may result in loss of deposit and cancellation of reservation.
